

# The Precast News

April 2021

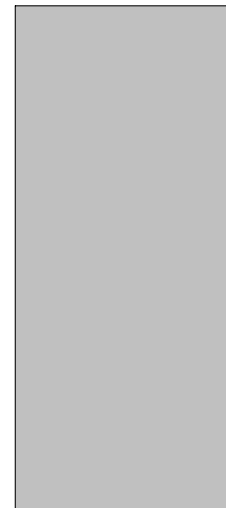

## Now Available Exclusively at Woodard's Infiltrator Advanced Treatment Leachfield

These 10' sections of 4" pipe surrounded by a special media are a direct replacement for Eljen units and at less cost. No perforated pipe or fabric is needed.

## We are now your source for 12" Sonotubes

We are now stocking cardboard Sonotubes in 12" diameter x 48" lengths. Great for your footing projects.
